

Rosé 2018

A very pretty, pure and delicate style of Rosé made out of 100% Pinot Noir that will transport you to where it's always summer.

COLOUR

Bright, very pale pink colour with suggestions of purple, very light on the rim.

AROMA

The nose is very fresh and fragrant with aromas of strawberries and cream entwined with red florals and subtle notes of confectionary and fresh fermentation esters. Thus has an up-front presentation with good depth and presence.

AGEING POTENTIAL

Serve with antipasto and Asian cuisine over the next 2 years.

PALATE

Dryish to taste and medium-bodied, the palate is softly presented with a gentle rounded and accessible core of deliciously bright strawberries and cream flavours with red florals and strawberry fruit pastilles. The flavours are aromatic and rich with the fruit sweetness balanced by soft, light, mouthwatering phenolic textures. The acidity provides background tension and the wine carries smoothly to a fragrant, floral finish with a little confectionary. This is a gently rich, dryish rosé with soft strawberries and cream, floral and fruit pastille flavours on a mouthwatering, fragrant palate.
