

Rosé 2019

A very pretty, pure and delicate style of Rosé made out of 100% Pinot Noir that will transport you to where it's always summer.

COLOUR

Pours a vibrant and pale pink, almost pastel. Transparent around the edges.

AROMA

Crushed strawberry and raspberry, followed by a thrilling kiss of bitter cherry and red currants.

AGEING POTENTIAL

Best enjoyed in the first 3 years after vintage. Versatile with food, particularly salads, pasta, lightly spiced curries and cold meats. Goats cheese works well as does a creamy blue.

PALATE

Just off-dry in style with a pleasing richness that fills the mouth, there is an abundance of fruit carried along by gentle acidity and the faintest inflection of dried sage. Lingering on the palate with deceptive weight and complexity, this is a perfect summer style of Rose with ample weight and texture.

WINEMAKING

100% Pinot Noir, Clones MV6 and Abel from our organically managed Winery Vineyard. Crushed to press on a very gentle cycle, then fermented to 7g/L residual sugar. The wine spends 2 months on lees for added complexity and texture.
